PHYSICAL SECURITY DIVISION HIGHLIGHTS

AUGUST 1974

1. During the reporting period, a Division Officer concluded a five week TDY visit to [REDACTED] 25X1A
Upon his return, a number of recommendations bearing upon the security posture of these facilities were coordinated with appropriate Agency [REDACTED] elements. 25X1A

2. A Division Officer, assisted by a representative of the Technical Security Division, presented the first formalized showing of the "Residential Security and Personal Protection" course. It is anticipated that this presentation will be available on a scheduled basis for all Agency personnel and appropriate dependents processing for overseas assignment.

3. Security support was rendered to the DCI on 19 August 1974 during his appearance before the House Appropriations Committee, Subcommittee for Defense; Mr. George H. Mahon of Texas, Chairman. Support included a technical inspection of the hearing room, [REDACTED] during the hearing, unobtrusive observation and protection of the entrance into the committee room, and a post-hearing security inspection.

4. In accordance with the requirements of the Occupational Safety and Health Act, two statistical reports for the quarter ending 30 June 1974 were submitted to the Department of Labor. The reports reflect 48 injuries and illnesses (not including those requiring first aid treatment) and 304 days lost during the quarter ending 30 June 1974, compared to 41 injuries and illnesses and 91 days lost for the quarter ending 30 June 1973.

6. On 1 August 1974 renovation of the Identification Section began. The wall between the Identification Section vault area and the Command Center was taken down and both rooms converted into one vaulted area. The Security Duty Office was designated to handle all emergency matters pending completion of the new Command Center. The new Security Access Control computer terminals, etc. will also be located in the Identification Section's new area. This portion of the renovation is due for completion circa 1 October 1974.
